

MEDICARE TURNING 65 ORIGIN SCRIPT

Hi, is this John?

Hi John this is Mike from Senior Services we're calling you because our records indicate that **you are turning 65**, correct?

Great!

Now, I will have a **Certified Medicare specialist to call you back in the next few days** and to talk about your Medicare,

Would **mornings or afternoons** be better for you?

Great! Do you have **coverage through work?** “But once you turn 65 you will be enrolling in Medicare right?”

Perfect!, again I'll just have a Medicare specialist to reach you (day and time) regarding your options.

Thank you and have a great day!
