DENTAL, VISION, AND HEARING INSURANCE SCRIPT

Hi (LEAD)?

This is (NAME) with Senior Solutions.

I'm reaching out regarding a new state-regulated program designed to provide affordable dental, vision, and hearing coverage. This program includes benefits such as exams, dentures, eyeglasses, and more!

We will have one of our licensed insurance agents call you back in the next day or two to go over the details and answer any questions you might have.

Would a morning or afternoon call work better for you?

I would also like to set-up a keyword, so you know it's my licensed agent contacting you.

-What is your favorite color?

Perfect!

You can expect a call from our licensed insurance agent in the (MORNING/AFTERNOON) regarding your dental, vision, and hearing benefits.

Have a wonderful day!
